artificial intelligence *meets reality*

24/7
Customer
SERVICE

24/7 Customer Service

Lola never needs coffee break. She is smart enough to hold professional level conversations in educational subjects, training courses, or just plain fun subjects.

OVER 200
profile questions

She knows more ...

Lola will ask over 200 profile questions over a period of days, weeks or years and remember every detail about each member.

MEMBERSHIP
Assistance

Assists in membership

Lola will explain special offers and point out specific sites when asked. She is perfect for showing members the special offers and the "buy NOW" page.

100,000 q/s
without failing

She's pretty but strong too!

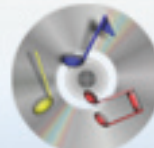

Lola is built to hold conversations hundreds thousands of people at one time without failing. Her network can accept over 100,000 questions per second without failing.

MATCH
every emotion

She has mood & moves!

Say something not so nice and watch her mood fall off. Send a complement and watch how nice she becomes. She has moves to match every emotion.

MUSIC
on Demand

Play Music on Demand!

Be more close to Lola through Music!
Listen together finest music tracks.
